WHAT IS THE SOUTH DAKOTA CATTLEWOMEN ORGANIZATION?

The SDCW, an auxiliary of the SD Stock Growers, is a significant group in the state that a cattle producer or cattle producer wife can belong to.

We are members of a non-profit organization dedicated to the promotion of BEEF.

We are affiliated with the American National CattleWomen and believe and uphold their creed:

Believing that the livestock industry is of basic importance to world existence, we, the American National CattleWomen, dedicated ourselves to support it with our labor and finances; to promote it through information and publicity; to encourage its producers with our understanding and love; to do all in our power to instill in the coming generation the love of the land and of life, the humility and awe before nature, and the hope and faith in the future that is inherent to Cattlemen and CattleWomen.

WHY SHOULD YOU BE A SD CATTLEWOMEN?

It was 1951 and the wives of the SD Stock Growers decided it was time to have their voices heard. They knew then as we know now that it takes everyone to work together to ensure the sustainability of beef. They went out and promoted and educated beef because even then they had skeptics about our livelihood, raising beef.

Now it's our turn to ensure that future generations will continue to have the opportunity to raise beef, eat beef and enjoy everything beef has to offer.

WHY JOIN THE AMERICAN NATIONAL CATTLEWOMEN (ANCW)?

1. To be the voice for women who share a passion for the beef industry.
2. To network with fellow women in the cattle community around America.
3. Acquire and learn how to use education and beef promotion resources and programs.
4. Develop and utilize your leadership skills.
5. To be part of a strong united voice for the beef industry.
