## ***Announce SDCW scholarship winner***

South Dakota CattleWomen are proud to announce that Sydney Miller of Hot Springs is the recipient of the 2019 SDCW Next Generation Scholarship. Her parents are Bill and Lisa Miller and she is a graduate of Hot Springs High School. She plans to attend South Dakota State University and major in veterinary medicine. Here is her answer to the following question:

### **How would I promote beef?**

"Being a part of the cattle industry, I feel I am always promoting beef and encouraging the benefits of beef. The beef industry is important for the industry and economy with providing different careers that provide employment. Careers to

bring beef from farm to plate includes veterinarians, machinery engineers, butchers, stockyard owners' truckers and several other hands that affect the beef industry. Without the beef industry, the nation would be short of different careers. The beef industry is important for the consumers. The number of the beef produced is 94.4 million head. I feel I am and always have encouraged the benefits of beef and the great taste of beef, which includes a variety of different vitamins, minerals and protein sources. Beef supplies the body with the nine amino acids to maintain the healthy body. Not only is beef being used to feed the country, but the byproducts are being used also."

**Mission: South Dakota Cattlewomen strive to Promote, Educate and Inform about our BEEF INDUSTRY.**

## Message from your President

Dear South Dakota Cattlewomen,

This has been an incredible year; blizzards and rain like I have never seen in my entire life. My daughter completed her sophomore year of high school and left me realizing that we were both starting to think about what we want to be when she grows up! I have been honored to attend a local meeting with the Rancherettes, the ANCW meetings in New Orleans and the Regional Meetings earlier this summer.

Driving out with seasoned and fun-loving Cattlewomen was a great encouragement. We had a wonderful time and getting to glean from their wisdom and laugh at their stories of daring - made a good trip into a great one.

I highly recommend staying at the Die Heimat Country Inn if you ever visit the Amana Colonies. It was a lovely and homey B&B. The food was good and each room unique. Touring the Farm and seeing their green efforts was intriguing and informative. Amana Colony history shows the power of teamwork!

Speaking of teamwork, I want to express my thanks to Karla Pazour, Tammy Basel, Kodi Blotsky, Erin Yost and Brenda Dreyer for their hard work and helpful tips in preparing our Authorization Requests for financial assistance from the Beef Industry Council. We have to look a year ahead when planning projects, so please reach out with your project ideas as early as possible to help us coordinate the requests for funds and ordering.

This year, we will not be having our annual meeting in September with the Stockgrowers. Our time there will be missed and I hope we will be able to combine the two in coming years. However, with their moving the Stockgrowers Convention to later in the year and our own busy schedules, we will be meeting in August, which is quite early!

I am excited to meet with you all at the Hall of Fame in Chamberlain! You should be receiving a postcard in the mail with your invitation. Thanks to the amazing Brenda Dreyer for making these postcards happen.

Our theme will be "Till the Cows Come Home!" As the support that works alongside our producers, we know that our work all revolves around our animals, fair weather and foul. What happens in our fields, our homes and our communities has a direct impact on our animals, our children and partners, and our neighbors. This is our place! And the humble ringing of a cow's bell as they come in the fields to the safety of the barn is understood by each of us. It's a simple sound, but it stands for something profound!

**Ring, Cowbelles! And let's bring the cows home!**

Evangelyn Fortune

Prime CattleWomen participated at the Chamberlain Community Friday Night event, River City Friday Nights, on June 21. President Leslie Reuer and daughter, Paige, set-up a table along the street and brought out the Spinner to quiz passersby about their Beef Knowledge. It was a beautiful summer evening and young families attended. Prime gave out gummy burgers to willing contestants.

### Thank You!

Thank you to Karla Pazour for the "Spotlight" articles for the newsletter and to Brenda Dreyer for the postcard meeting reminders. They are appreciated!

## Secretary's Report

The South Dakota CattleWomen's summer quarterly meeting was held June 7, 2019, at the Hall of Fame in Chamberlain, SD. Twelve members were present. Evie Fortune, president, called the meeting to order at 10:30 a.m. Mary H. led the flag salute and Evie led the SDCW Creed. Members introduced themselves and the clubs they represented for roll call.

Mary J. gave the secretary's report. Mary H. moved to approve it as printed in the newsletter and Shirley T. second. Passed.

Evie gave her President's report and talked about the "new director orientation meeting" for BIC she had attended. She was impressed with the test kitchen that was setup. She plans to attend the ANCW Region meeting in Amana, Iowa.

Becky gave the treasurer's report for the SDCW and BIC accounts. Erin Y. moved to approve as presented and Karla P. second. Passed.

**PROMOTIONS:** Lindy and Evie discussed what we need and have on hand. Carol Sides will need information and promotion items for Ellsworth's Air Base picnic, when she receives the information and dates for it.

The SDCW has a need for brochures and Evie will talk to Suzy G. at the BIC office. The SDCW are in need of money for children's brochures to be put in the rest area at Chamberlain. It was strongly suggested to join forces with the Cattlemen's Auxiliary and BIC to order them. A form with a beef recipe on one side and the SDCW website on the other was suggested. This information needs to be put on Facebook.

Noreen K. and Carol Sides talked about serving beef brownies to the RASDAK riders and how well they went over.

**MEMBERSHIP:** Katrin V. was not present, but numbers were given in the last newsletter.

**SCHOLARSHIP:** Mary J. informed members that only one applicant applied this year, so was named the winner. She is Sydney Miller of Hot Springs and will receive a check for \$250.00 in the near future. Information was gotten out too late this year with contact information.

**NEWSLETTER:** Mary J. gave the next deadline as July 15 and will get reminders out. She suggested Florine Glaus and Pat Blum to be "spotlighted" in the next issue.

Evie had visited with Suzy G. at the BIC office about putting the check-off logo on projects funded by BIC and the verbage to use. The logo should be placed on the top right corner and Evie will get the verbage to be used in the Highmore Herald for projects funded by BIC.

**BYLAWS:** Evie would like to see the typos printed in the Bylaws corrected. Members willing to help are Kodi B., Karla P., Janet Schindler, Noreen K. and possibly Carol Sides and Mary H. by the next meeting. Bylaws changes to be voted on **MUST BE PRINTED** to the membership 60 days before a vote is taken.

**NEW BUSINESS:** A complaint has been made that when beef is purchased with a beef certificate and the cost of the beef is less than the certificate, no change was given back. It is plainly stated on the beef certificate that the policy is to not return change.

**BIC - CALENDARS AND VOLUNTEERS:** AR's for the 2019-2020 year are due July 1 to the BIC office for approval and should be gotten to the president by June 19 deadline so a rough draft can be made to present to BIC.

**PROMOTION ITEMS:** Items that need to be ordered by the clubs should be gotten to Lindy by June 19.

It was emphasized that personal names should not be put on websites - - they need to be protected - - privacy policy.

The annual convention with the South Dakota Stockgrowers Association was discussed. The SDSGA convention is planned for October 31 and November 1. The SDCW have agreed to do our annual meeting on Wednesday, August 14, 2019, at the Hall of Fame in Chamberlain at 11:00 a.m. CDT, 10:00 a.m. MDT. Evie plans to invite the ANCW National President from Montana

to be the noon speaker and then have tours of the Hall of Fame, St. Joseph Indian School Museum and other points of interest in Chamberlain. The SDCW will still have a booth at the SDSGA convention. Prime will handle the lunch menu.

Evie adjourned the meeting at 12:30 p.m. and Prime CattleWomen served a delicious beef lunch.

Respectfully submitted - Mary Jessen, Secretary  
**PRIOR TO THE MEETING . . .** Shirley T., Erin Y. and Becky L. refreshed us on what is going on with the Beef Council. They have hired a new part-time person in the office and have a third party to do the financials. The BIC spotlighted Delina Nagel in a Mother's Day promotion they did.

**ELLSWORTH AIR BASE PICNIC . . .** BIC again was a sponsor of the Ellsworth Air Base Picnic. This enabled the SD Cattlewomen to have a booth there. Carol Sides and Bernice Landers of the Southern Hills Cattlewomen were able to attend. It was a great day, not too hot and no storm chasing us out. Again, it was held in the Dakota Club, where there were tables and chairs set up, two food lines and a number of sponsors' tables. This year it was a little bigger as they had games and a band outside. We always enjoy talking to the men and women there. This year we had some new recipe cards, pens, pencils, and a few other things to hand out. Our popular item was the can koozie. The people really like getting new recipes. There were a few people that said they had been there before and had gotten one of the red insulated bags, or one of the meat thermometers, and they use them constantly. Again there were people who asked about fresh or bulk meat and we directed them to a website. There was also the website and Facebook addresses for cattlemen so they could get more recipes. We were told a number of times that they appreciated that we were there. It was a great day and we look forward to doing it again next year.

The name Florine Glaus is synonymous with CowBelles and known for her enthusiastic dedication to the beef industry. Florine is one of the twelve charter members who in 1971 formed the Prime CattleWomen affiliate in the Chamberlain area. From 1983 until 1986, she served on the South Dakota Beef Industry Council board. She has held all officer positions at both the local and state level.

She was the State CowBelle president in 1985-86 and during her term, she and Roger Husted, president of the Stockgrowers traveled the state attending meetings and gathering membership. There were 30 clubs and 630 State CowBelle members while she was state president.

During her presidency, she worked closely with the High School Home Economics departments and provided beef cookery materials for the classroom. Through the years, she assisted with the High School Beef Cook-Off and the State Fair Beef Booth. For many years, she was the contact person for the beef certificates in the Chamberlain area and worked directly with the local banks. She helped host the 2005 National Beef Cook-Off in Rapid City, serving on the Registration committee.

She encouraged participation in the Miss Stockgrower and Beef Ambassador contests, educating candidates so that they could represent our industry well. Always championing youth, Florine started the Clover Lassies 4-H Club and was a leader for 30 years; served as a director on the State Leader's Association. A parent commented 'she has always given so unselfishly, she would immediately drop what she was doing in order to help a 4-H'er with a project.' She aided her husband, John, who was the State Fair 4-H Beef Superintendent for 17 years.

Florine is a native of Isabel, SD and graduated from South Dakota State University (then college) with a Home Economics degree. She married John Glaus in 1949 and became the mother to four children - twin girls, a son and another daughter. She provided hands-on help at the ranch. She was known to be able to both drive silage truck and feed a table full of men. The Glaus Angus, founded in 1903, started production testing in 1955 and in 1961 was one of the first in South Dakota to use artificial insemination on a large scale.

Since 1988, the Glaus ranch provided valuable land, located along Interstate 90, so that a sign promoting beef could be seen by travelers. Last year, the sign once again got updated – with bright red background and a delicious burger, along with the tagline 'Beef. It's What's for Dinner.' The sign got paid for by our SDCW as the main financial sponsor, along with additional dollars coming from SDBIC, Southern Belles and Prime CattleWomen affiliates.

Bestowed honors included Little International (SDSU) Honored Homemaker (1980), Eminent Homemaker (1983), and South Dakota Beef Industry Prime Promoter (2010). Of course, her greatest honors are her family. She was married to John for 62 years, losing him in 2011. Her children are daughter, Janet (Roger) Wehde of Sioux Falls and their daughter, Kelsey (Garrett) of Sarasota, Fl.; daughter, June (husband Arden passed in 2019) Shields of Harrisburg, SD and children, Lee of Colorado; Amy (Andy) of Lennox and Sarah (Matt) of Harrisburg; son, Jim (Sholi) Glaus of Chamberlain and children, Tate (Cheyenne) and baby daughter Davy; Teil (Clarissa) and baby son, Boone, daughters, Savanna and Mariah, all of Chamberlain; Troy (Rosa) of Brookings with daughters, Cara Ann, Jolena, Tia, and Malia; daughter, Barb (Don) Walker of Piedmont and sons, Clint (Katy) and children, Ella, Landon and Ridley of Sturgis; Ben, who just returned from overseas serving in the military and Sam of Piedmont.

Florine is now living in the **Regency Retirement Living**. Greetings may be sent to her at 220 Beebe Ave. West – Apt. 113, Chamberlain, SD 57325. When reflecting upon the decades of promoting, Florine fondly remembers the friendships made, all across the state.

### Old Business:

#### In Store Promotion:

We reported on the in-store promotion we held at The Winner Food Center and Winner Super Foods on May 3. Maryanne Vogel, Donna Kubik, Katrin Van Zandbergen and Debbie Steinke made Salisbury Steak Meatballs. Winner Super Foods was very successful as they had a lot of traffic, got rid of almost all the meatballs, and promotional items. Winner Food Center was very slow, and Donna and Katrin did not get rid of their meatballs. We decided that next year maybe we need to ask to be up near the front door, so we can reach more people!! We also handed out the recipe. We may want to talk to the stores about a fully cooked cut of meat that is ready to buy and serve to promote next year. Katrin would like to set up a committee for instore promotion next year.

#### Southern Belle Cattlewomen Bibs:

Cheryl reported that she embroidered 25 bibs and took them to Winner Regional for new born babies.

#### Newspaper Advertising for Beef Month:

Since May is beef month, we are excited that we put something in the paper every week to promote beef!

#### New Winner Arrivals:

Katrin informed everyone that we took a leaflet to the Chamber of Commerce to put in the packets for new people that move to Winner. The Leaflet had lots of Beef Recipes and we put a label on the back telling them to check out our Facebook page and that it was sponsored by the Southern Belle Cattlewomen.

#### New Business:

##### Blood Drive:

The Blood Drive is May 22 from 12:00 noon until 6:00 p.m. and May 23 from 7:30 until 11:00 a.m., at the City Offices building. Becky and Ruth will do the phone calling. Katrin will bring some cookies, and Debbie will bring some meatballs. Ruth will work Wednesday, Becky will work Thursday. Ruth will ask Sharon Eddie if she can help also.

##### Health Fair:

Health Fair will be June 7 from 7:30 a.m. until 12:00 noon at Winner Regional Health Care Hospital. M.J. Waters will be in charge of setting it up and working it. Debbie will help her set up, Becky and Donna will help her that morning if their schedules allow. We already have the promotional items for it.

#### 4-H Summer Workshop:

Debbie has set the date with Laura Kahler to do the 4-H Workshop, Meatball Mania. We will make a basic meatball recipe, and then show the kids different ways of serving them. The kids will be able to take meatballs home and share them with their family as a meal. We will show them how to serve them as spaghetti and meatballs, Pizza sauce subs, and barbecued.

#### Radio Station Trivia:

Katrin will visit with the radio station about making sure they use beef trivia questions when they give Beef Certificates away.

#### Installation of Officers:

Dawn Covey installed the next year's officers: Katrin Van Zandbergen as President, Kodi Blotsky as Vice President, Becky Littau as Treasurer and Debbie Steinke as Secretary.

#### Guest Speakers:

Rosebud Ranchettes, Sara Grim, Mary Horn and Katie Gnirk Adams, visited with us about their process of getting beef served in their school lunches. It was very interesting to hear their trials and tribulations of the process it has taken to be able to serve great Beef meals to their students.

Respectfully Submitted - Debbie Steinke, Secretary

Southern Belle Installation of Officers . . . Dawn Covey installed Katrin Van Zandbergen as President, Kodi Blotsky as Vice President (missing), Becky Littau as Treasurer and Deb Steinke as Secretary.

## BEEF Expands Its Rally™ Footprint with Sturgis® Beef Throw Down Event

South Dakota Beef Industry Council (SDBIC) looks to expand beef demand through a continued partnership with the City of Sturgis as the official meat of the 2019 Sturgis® Motorcycle Rally™. The venue allows beef to reach nearly a half million consumers from all over the world throughout the ten-day event scheduled for August 2-11, 2019.

New to the Event this year is the "Sturgis® Beef Throw Down". Join the fun as we travel the beautiful Black Hills area with Food Network professional chef Justin Warner. Warner will be judging destination location restaurant's signature beef dish, alongside designated South Dakota beef producers! The "Sturgis® Beef Throw Down" judging will take place August 5-7, 2019, with the winner announced at noon MST on August 8 during the 79th Sturgis® Motorcycle Rally™ on the Rally Point Stage. The winning restaurant will receive a trophy to display in their establishment, as well as team slot in the Sanford International Senior PGA Pro-Am tour, taking place September 18-19, 2019, in Sioux Falls, SD.

"We really wanted to expand our footprint with the Rally™ this year, so we worked alongside the City of Sturgis in the development of the "Sturgis® Beef Throw Down", states Suzy Geppert, SDBIC Executive Director. "We know that one of the main draws for Rally™ attendees is the beauty of the Black Hills in western South Dakota and many of them spend a lot of time on their bikes touring. We wanted to be able to allow attendees the ability to incorporate beef into their experience, so we established an opportunity to do just that."

Rally™ attendees will have an opportunity to take an optional "Sturgis® Beef Throw Down" tour. Attendees will start when they check in at the Sturgis® Rally™ Headquarters, where they will be given a Sturgis® Beef Throw Down Passport that contains all participating restaurants. Attendees will then travel to participating restaurants and purchase the signature beef dish at each location on the map. The restaurant will stamp the passport to confirm the signature beef dish was ordered. Participants bring the stamped passport back to Rally Point for a chance to win one of five prize packages that include \$100 up to \$500 in Beef Bucks, alongside beef swag! Attendees must have a minimum of three destination locations stamped to qualify for entry! Passports may also be downloaded at [sdbeef.org](http://sdbeef.org).

Participating restaurants include Red Rock in Wall, Alpine Inn in Hill City, FLYT in Deadwood, Baker's Bakery & Café in Custer, Country Side Grill in Rapid City, T-Grille in Deadwood, Knuckle in Sturgis, Loud American in Sturgis, Sliders Bar & Grille in Rapid City and Vertex Sky Bar/Paddy O'Neill's in Rapid City.

The SDBIC will once again participate in the Mayor's Ride and the VIP Social on Monday, August 5, as a sponsor of the Sturgis® Motorcycle Rally™.
