## Message from your President

**STRATEGIC PLANNING!** South Dakota Cattlemen are planning ahead. What do we want our organization to look like in the next five years? What and how do we want to influence the future of beef production? How do we promote beef to our best advantage?

We know that there are a lot of great ideas out there and we want to harness them for OUR organization. We are going to gather on July 13, 2021, at the Drifter's Conference Center in Ft. Pierre for this purpose. Please consider this your invitation to participate in a day of development and growth for SD CattleWomen.

Please make every effort to attend; however, if you are not able to be there at that time, please feel free to contact me or any of our officers with any suggestions you might have.

More opportunities for learning and fellowship are coming soon. **REGIONAL MEETING!** South Dakota CattleWomen will be hosting the meeting in Mitchell, SD, June 22-23. To register, go to [ANCW.org](http://ANCW.org).

**AMERICAN NATIONAL CATTLEWOMEN** annual convention is being held August 8-10 in Nashville. To register go to [ANCW.org](http://ANCW.org).

It is always amazing the things you learn and the people you meet that will make those differences in our lives. They may be small or huge, but always a pleasant surprise. Join us!

## Secretary's Report

The South Dakota CattleWomen's quarterly meeting was held Tuesday, April 13, 2021, at the Drifters in Ft. Pierre, SD. Those in attendance included: Karla P., Ruth F., Brenda D., Mary J., Lindy H., Norma O., Katrin V., Carol Simon, Evie F., Shirley T., Kay A., Kodi B., Noreen K., Mary H. and Jona O.

The owner and chef at Drifters, Uriah Steber, was introduced and he gave a little history of the establishment and how he works with local producers to get his beef. He stated he buys the whole beef animal and uses all of it in his meals. He calls it "balancing beef". One whole beef is used in about two weeks.

President Lindy H. called the meeting to order at 10:30 a.m. with 14 members and one guest present. She led the flag salute and CattleWomen's Creed.

Suzy Geppert, Executive Director of the South Dakota Beef Industry Council, was the main speaker. She pointed out that it is very important to get the AR's for funding into the office in early July and that all meetings are open to anyone to attend. She handed out and passed around some brochures and posters. She showed a short video on the "Build Your Base" sports nutrition program. Sanford matches all the money that the check-off uses for this promotion. She would like home-grown ranch recipes and wants to highlight South Dakota.

SECRETARY: Mary Jessen recommended accepting the Secretary's minutes as printed in the newsletter. Evie F. moved and Mary H. second to approve. Passed.

TREASURER: Noreen K. gave the South Dakota CattleWomen General and South Dakota Beef Industry Council account reports. Karla P. moved and Katrin V. second to accept the reports. Passed.

Jona Ohm of "Middle America Communications Solutions" spoke about how to make websites and online better for organizations.

Lunch at noon was sponsored by ZOETIS and Shirley Thompson. "Thank You!"

REGION MEETING: Shirley T. invited the South Dakota CattleWomen to the Region III and VII meeting to be held June 22-23 in Mitchell. The South Dakota CattleWomen will help pay for it.

STATE FAIR: Brenda D. showed slides and had suggestions to use for the State Fair project. Cost would be \$4,250.00 and two \$25.00 beef certificates.

Brenda also spoke about a photo contest with prizes. She wants photos of actual farm and ranch work, especially for May Beef Month. Photos would be shared on Facebook.

BY-LAWS: Kodi B. did not have anything to add.

MEMBERSHIP: Norma Olson and Katrin V. gave the membership report. There are 90 state members.

SCHOLARSHIP: Carol Simon spoke on the scholarship project. A committee had met earlier to discuss the Hallie Cordes scholarship funds. It was decided to transfer the funds to the SDCW General Account to be included with the funds from the SDCW Account. Kodi B. moved and Ruth F. second to transfer \$2,000.00 every year from the beef certificate account to the SDCW general account. Mary J., Brenda D. and Kodi B. are members of the committee. It was suggested to advertise about the scholarship on Facebook, etc. Funds would be given out after the first semester of college is completed. There is a June 1 deadline when applications are due.

BEEF CERTIFICATES: Lindy H. reported \$100.00 cards are now available, along with the \$25.00 and \$50.00 cards - all have a \$3.50 extra fee.

"LAND GRAB": Carol Hutchinson spoke via Zoom about the 30/30 land grab that President Biden has proposed. Supposedly he calls it the "Clean Air Act". Comments to legislators and county commissioners are due before April 22. He wants to take very much control of conservation easements, etc. Contact the "American Stewards of Liberty" to voice your opinion. CRP easements are okay.

SOCIAL MEDIA: Put on the agenda for next meeting. One person should be in charge of all of it and put information on ASAP.

NEWSLETTER: Next deadline is May 15. Brenda D. is working on the "Featured CattleWoman" feature for next issue.

RASDAK: Kodi B. talked about it. No funds are available. Kodi will contact Carol Sides and Sturgis Meats about jerky. It will be held in June, 2021.

SPECIAL OLYMPICS: Katrin V. says Tonya Ness is working on this.

SDSGA BOOTH: Evie F. encourages the SDCW to continue the booth. The 2021 convention will be September 9-11 in Spearfish, SD.

BENEFIT: Kodi B. moved to give \$200.00 to James Halvorson, Executive Secretary of SDSGA, benefit. His home and property were completely destroyed by fire recently. Evie F. second. Passed.

STRATEGIC PLANNING: Lindy H. will ask Suzy G. and Brenda D. for names for a facilitator. Meeting will be in July.

MEETINGS: The next SDCW meeting will be Tuesday, June 15, at Drifters in Ft. Pierre at 10:30 a.m., if available. The next Strategic Planning meeting will be Tuesday, July 13 - place to be determined.

Evie F. moved and Mary H. second to adjourn at 3:00 p.m.

Respectfully submitted,  
Mary Jessen, Secretary

**“Be the Good with Beef”** . . . Prime CattleWoman MaKaela Randall (left) and Prime President Leslie Reuer (right) present to the St James Chamberlain Food Pantry volunteers, Steve Desloover, Brenda Dominiack, Kim Tyrell, and Sharon Smith, the good news that they received one of the \$500 Beef Bucks contributed from Beef Check-off funds. Pictured in front are Ava Desloover and Charles and Ella Randall. As part of March is National Agriculture Month, South Dakota Beef Industry Council created a new campaign called 'Be the Good with Beef.' Local food pantries were nominated and three charitable organizations were randomly drawn for a \$500 Beef Bucks check. The other food charities were the Philip Country Cupboard Food Pantry and Tyndall Food Pantry.

Kim Tyrell, volunteer for the St. James Food Pantry commented “We are thankful for the generosity of this community. The \$500 of Beef Bucks will be appreciated by many. The food bank is easily accessed by Brule, Buffalo and Lyman counties, but the St. James Food Pantry is open to all people and we welcome families to contact us.” The food bank which is housed in the basement of the Chamberlain Catholic Church was started in 2015. Last year alone they helped over 700 families.

MaKaela Randall said, “As a rancher and mom of four, I’m glad to be producing a beef product that is both healthy and convenient for families.” While Leslie Reuer, also a rancher and mom of five stated ‘as a ranch family, we care for our livestock daily, it’s our DNA to nurture. It was nice to have our Beef Checkoff dollars show that we also care about our communities.’

## Services held for Bob Farnsworth

Funeral services for Bob Farnsworth of Carter were held March 20, 2021 at Carter Gospel Fellowship Church. Burial followed at the Winner City Cemetery at Winner, SD.

Robert Eugene Farnsworth was born in Winner, SD, on January 31, 1948, to Lloyd and Ruth (Nelson) Farnsworth and passed away March 13, 2021, at the Avera Rosebud Country Care Center in Gregory, SD, at the age of 73 years, one month and 12 days. He attended grade schools at Hansen and Carter and graduated in 1966 from Winner High School.

Bob met his sweetie, Ruth, when they were eight years old at Carter Gospel Fellowship. Their friendship grew through their interest in showing cattle. In addition to church activities, they were also members of Jolly Mixers 4-H Club. Bob and Ruth were married in 1966 and welcomed daughters, Brenda in 1968 and Glenda in 1970.

After working for his dad and a couple neighbors for a year and a half, they settled on the place where Ruth was raised near Carter, S.D. and remained there to spend their life ranching. Bob worked for Bill and Eleanor Chauncey and then in partnership with his brother-in-law, Jerry Chauncey.

He enjoyed being active as long as his body allowed. Bob was a serious competitor in many sports, hunting and showing livestock. He enjoyed wildlife, his pets and most of all following his children and grandchildren's activities. He had a sense of humor and got great pride in a practical joke or two. In his later years, he still played a good game of cards, attended his grandchildren's activities in person and via technology and continued to cheer for the Minnesota Twins and Vikings.

Bob was a member of South Dakota Stockgrowers and South Dakota Farm Bureau.

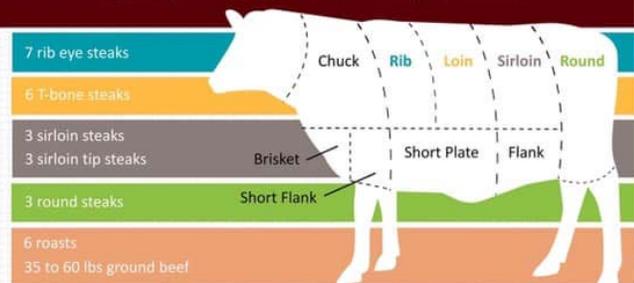

Following a diagnosis of Lewy Body Dementia, Bob remained at home under the loving care of his family until it was necessary for him to move to the Rosebud Country Care facility in July, 2020.

## Services held for Herris Lambley

Funeral services were held April 30, 2021, at the Civic Center in Burke, SD, for Herris Lambley. Burial followed at the Herrick Cemetery, Herrick, SD.

Herris Gene Lambley was born May 11, 1938, to Ulyse and Lucille Lambley at Ainsworth, Nebraska and went to heaven April 23, 2021, at the Community Memorial Hospital in Burke, SD at the age of 82 years, 11 months and 12 days. He was the second son of his family. His childhood days shaped his adult life. He shared stories many times over from his growing up years. Every story had the common themes of hard work, fun, and family. Many pony stories and mischievous shenanigans that he and his siblings and cousins got into intrigued people to have him "tell more". Everyone loved listening to him and often wondered how he ever reached adulthood.

His childhood days shaped his adult life. He shared stories many times over from his growing up years. Every story had the common themes of hard work, fun, and family. He received his education as an Ainsworth Bulldog being in the class of 1956.

Herris married Mary Hagerman May 26, 1957, at the United Methodist Church in Ainsworth. Their three children, Jolene, Donovan, and Karen, completed their family. They made their home on a ranch in Keya Paha County Nebraska raising Hereford cattle, milking cows and doing whatever it took to take care of his family. In 1967, he took a giant leap and bought a sale barn in Burke, SD. Herris's roots were deep in the auction business as his grandfather and father were in the auction business also. He treated each customer with gratitude for their business and thanks to thousands of customers who put their trust in him, he built a business he was very proud of. After 47 years of ownership of Burke Livestock, he decided on semi-retirement from the auction business and sold the business to the next generation and focused on his own ranch life. He loved this life and taking care of cattle was his passion. Grandson KC and Donovan took him on his last pass through the pasture just days prior to his passing. He glowed seeing the newborn calves and the overall condition of the herd.

Above all other were his family and the next generation. He loved helping kids get a start in the livestock business, whether it be giving them a loan to purchase something or as generous as giving them a calf or hog to raise. He employed numerous kids during his reign as a business owner and enjoyed everyone that did their job. It was simple in his eyes; show up on time, complete their work and you were rewarded. If you were a slacker you got one more chance to do it right or don't come back. His goal was to always try to help the younger generation. If you wanted to work hard and help yourself then he would help you.

Along with running a full time business, Herris was a Little League Baseball coach, Burke Fire Department girls' softball coach, city council member, a Master Mason of the Burke Lodge #148 and a volunteer for the Burke Fire Department for 35 years.

Herris never missed a sporting event his kids, grandchildren and great-grandchildren participated in. Always encouraging them to do their best. If there was a baseball game, he was there. Nothing came before work, but ballgames were the exception. He was a great umpire from the bleachers! He was honored to throw the first pitch at the State Amateur Baseball tournament last fall.

Herris enjoyed dancing. He would glide across the dance floor and jitterbug while keeping perfect time to the music. A cherry pop and he was good to go all night. He also loved to play cards. First on the list was a good game of pitch (for money of course). The rules were always "Sale Barn Rules" meaning no cinch bids! The family would end a holiday gathering with a game of pitch or several games or until Herris got his money back. He would be found at Herrick Legion on Friday nights playing pitch with a group of friends.

He was also an avid coyote hunter. He raised and trained greyhounds to hunt coyotes. If you are dare devilish type of person, just get in with a coyote hunter. He took many on a few wild rides and went through several pickups, (dog wagons). He lived to say "there he goes". Above all other hobbies his favorite would be going to a sale and buying cattle. He knew value when he saw it and he craved the next opportunity to hear the auctioneer say "sold Buyer #9. He always told his family "it takes a smart man to make a dollar but a smarter one to keep it". He had a way of buying on the low and selling on the high.

Herris knew his Lord and was baptized in 1987. He was a member of the United Methodist Church in Burke. He left a legacy his family will hold dear and pass on to the next generations.

Missing him greatly are his three children: Jolene (David) VanMetre, Donovan and Karen (Tim) Martin; eight grandchildren: LaNeal (Jim) Schonebaum, Jeremy (Kellie) Martin, Chisum (Kaira) Lambley, Derreck (Danielle) Martin, Tyler (Val) VanMetre, Dillon Lambley, KayCee (Natasha) Martin and Cheyenne Lambley; 14 great-grandchildren: Jayder, Jakoby, Jazlee and Jeven Schonebaum, Kendrik and Declan Martin, Ryggan, Ryken and Remington Lambley, Claire and Morgan Martin, Alese and Emerson VanMetre and Taylee Gant; one sister, Lolita Taylor; one brother, Gary (LaVella) Lambley and many nephews, nieces, cousins and countless friends.

Herris was preceded in death by his wife, Mary; parents; Ulyse and Lucille Lambley; one brother, Tommy Lambley; one brother-in-law, Jerry Taylor; one daughter-in-law, Brenda Lambley; one granddaughter-in-law, Kyndra Lambley; his in-laws, Leo and Shirley Skovsende, Dick Hagerman and Lawrence and Lillian Hagerman.
